Prayer for Pentecost Sunday

God, send out your spirit,
and the face of the earth
becomes new!

Grant us the fullness of the divine life in the Holy Spirit and complete us all in your eternal Kingdom.

God, you are with us

and nothing can separate us from your love.

May the peace of God, which is higher than all reason, keep our hearts and minds in Christ Jesus. Amen.

MISSION PRAYERS FOR WORKAID

Workaid was founded in 1986 and, to date, has been able to help over 190,000 people out of poverty by supplying the tools and equipment (kindly donated to Workaid's premises in Chesham) required for vocational training.

This can be broken down as follows:

23,520 tool kits;

3,632 training projects;

27,348 sewing & knitting machines.

This year, Workaid aims to send eight containers full of refurbished tools and machines to its partners in East Africa.

Please pray that these

containers arrive safely, so that more people can be helped out of poverty and better their lives.

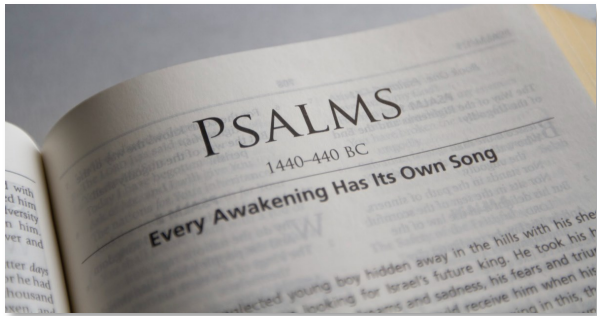

Give thanks for the 200+ volunteers who freely give of their time to refurbish the donations at the workshops in Chesham.

DEVOTE YOURSELVES TO PRAYER

these honest conversations with our God. One of the good things about God is that he longs to hear from us and never gets tired of listening to us. We

can share anything with him, our joys and celebrations as well as our worries and complaints.

This year we're thinking about prayer and how we can pray together and encourage each other to pray.

Our verse of the year is from Colossians 4:2 "Devote yourselves to prayer with an alert mind and a thankful heart."

God longs to hear from us and will never let us down so let's be encouraged as we reach the halfway mark of 2022 to continue in prayer. And let give thanks to the God who loves us more than we can comprehend.

Blessings to you all, **Remco**

Dear Brothers and Sisters,

Grace and peace be with you all.

Over the last four Sundays we've been looking at some of the Psalms and how they enable us and encourage us to pray.

The Psalms are all prayers and more than half of them are attributed to King David. They are prayers for all occasions, for praise and rejoicing, for thanksgiving and showing gratitude, for asking for help in difficult times, and for destroying the enemy.

They are so honest and from the heart, and through our reading and studying them we also are invited and encouraged to have
